	Urgent	**Not Urgent**
Important	**Do - (Your MVP)** ● Add assignments with course name, assignment title, and due date. ● View all assignments and mark them as complete. ● Save and load assignments using file I/O.	**Schedule - (For V2.0+)** ● Sort assignments automatically by due date. ● Display reminders for upcoming deadlines. ● Add priority levels (high, medium, low) to assignments.
Not Important	**Delegate - (Use a library)** ● Use Java's LocalDate library to handle assignment dates. ● Use Java's ArrayList to manage assignment records. ● Use Java's Collections utilities for sorting assignments.	**Delete - (Cut it)** ● AI-powered study recommendations. ● Integration with Purdue Brightspace or other learning platforms. ● Mobile app version of the assignment tracker.
